ReVision Women

Support Group

re-interpreting our stories

re-imagining our lives

JANUARY 16, 2019

7:00 pm to 8:30 pm

Family Support Organization

3535 Quakerbridge Rd

Suite 400

Hamilton, NJ 08619

The support group is hosted by *ReVision Women Coaching Services* and led by Simone Oliver, Master Life Coach. There are times in all of our lives that we can feel overwhelmed by life and work and find that we are not living as fully as we'd like to be. Our support group encourages you to discover what may be hindering you and translate that into a practical vision.

Supported coaching can help you change your perspective, become motivated again and develop a clear vision and positive mindset.
